

## Job/Career Fairs and Upcoming Events

There are many Job/Career Fairs and Events in which The Division of Personnel & Labor Relations (DOPLR) participates. We attend annual recruitment Job/Career Fairs and Events statewide and throughout the year.

Attending one of these events allows job seekers to meet with agency staff to discuss the wonderful and exciting career opportunities with the State of Alaska, as well as provide details on current job openings.

Below is a listing of Job/Career Fairs and Events. Hiring managers are encouraged to attend Job/Career Fairs whenever possible so they may showcase career opportunities within their operating agency.
